

## Handcrafted Framed Mirror Television

- **DecoVue Art & Beauty & TV.** Never choose again between aesthetic and the essential.
- **Display Technology.** Every DecoVue comes in stunning 4K UHD clarity, while the 55" and 65" models take it even further—powered by OLED technology for a breathtaking, immersive viewing experience.
- **Smart.** Each DecoVue is a smart TV based on Android platform.
- **Frames Choices.** With 10 distinct frame categories to choose from.
- **Remote Control.** Comes standard with a Logitech K400 and Evervue & Zepp Remote in each order.
