

# Power On Settings (HDMI TV System)

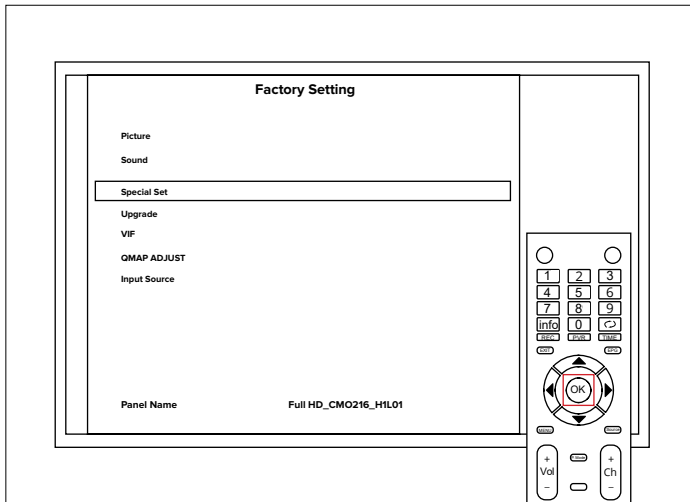

**1 Press the Source Button**  
Find and press the "Source" button on the remote.

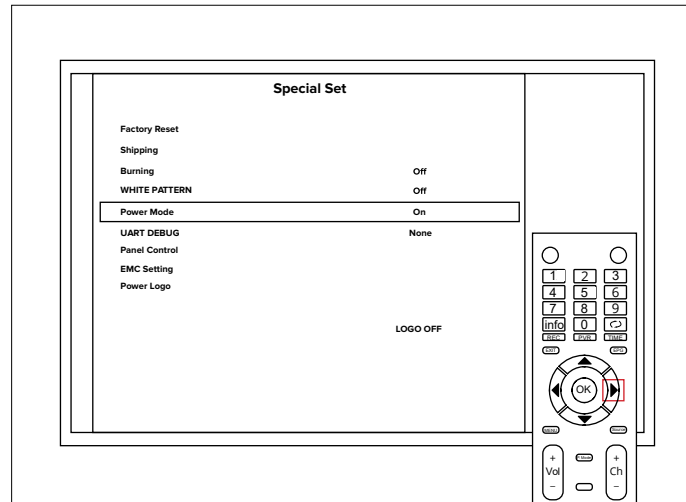

**2 Highlight the HDMI1 Input**  
An input source menu would pop up at the top right portion of your screen. Highlight the HDMI1 option but do not press it.  
*\* Note: If the HDMI button is accidentally pressed, press "Exit" button and go back to Step 2.*

**3 Press 2-5-8-0**  
Slowly press the numbers 2-5-8-0 on the remote to go to bring the "Factory Setting" up.

**4 Press User Set**  
Under "Factory Setting", highlight "Special Set" and press "OK".

**5 Choose Power**  
Under "Special Set", highlight "Power Mode". Then press the right arrow button on the remote and change the mode to "OFF".
